Introduction

Almasi is the Swahili word for diamond, synonymous with immense beauty.

Founded in 2019, Almasi Art Agency sources, promotes and sells fine art pieces, with emphasis placed on the growth of each artist represented and client satisfaction.

Currently working with 70 artists from 19 different nationalities, the agency boasts a multi-talented pool of painters, sculptors, photographers, mixed media practitioners among others.

These artists have worked on fine African art and subjects, with a good number having exhibited abroad with more rising in prominence.

This ‘Out of Africa Edition’ catalogue is borne of a partnership with The Sands at Nomad and is a showcase of artists who have worked on subjects from the continent.

The exhibition runs from 15th December 2022 to 15th January 2023 at the Sands at Nomad beach bar and will be showing 9 of the most stellar names in the African art scene.
